

Topic 2: Developing Your Child's Intelligence

Parenting: What is parenting? What is the goal of parenting?

“Begin with the end in mind”

“And Jesus increased in wisdom and in stature and in favor with God and man. (Luke 2:52)”

Four Domains of Child Development: Physical, Cognitive, Emotional, Social

Multiple Intelligence Theory

What is intelligence?

How do I know my children's intelligence profile? Engage THEM!

1. What are some everyday activities that you already do with your child?
2. What other activities would you like to introduce to your child?
3. What do you want to find out about your child?
4. What will you practice this week?

Reminder: Suspend Judgement, Observe and learn about your child, ask questions
